Hearing and Living the Sunday Readings

**Give
it
a Go!**

**Pray each week with the
Sunday Readings**

We all need to be renewed. Hearing God speak to us in a very personal way and meeting Christ in the Gospels is a vital part of our Christian discipleship.

'livingtheword' is a website with a simple plan to pray with the readings for Sunday each week. Each Tuesday afternoon there will be a new document to download with some reflective questions to help you personally or to use with a group.

Check out the resources pages with some helpful reflection tips.
